College for Vilavancode taluk

* 1948 Q.—SRI M. WILLIAM : Will the Hon. the Minister for Finance be pleased to state whether the Government propose to start an Arts and Science College in Vilavancode taluk of Kanyakumari district?

THE HON. SRI C. SUBRAMANIAM : No, Sir.

SRI M. WILLIAM : Will the Hon. the Minister of students were refused admission in both the colleges in Nagercoil in the Pre-University Class and in view of the great rush of students for admission into these colleges, will the Government be pleased to consider the question of starting a college there?

THE HON SRI C. SUBRAMANIAM : I think that is not the correct position, Sir. I have got certain figures here from which I do not find that there has been any rush there as the hon. Member imagines. As a matter of fact, in the Scott Christian College, Nagercoil, for the sanctioned strength of 100, they have admitted only 28 and there are still many vacancies there. In the same way, in the S.T. Hindu College, Nagercoil, for the sanctioned strength of 120, only 31 students have been admitted. Therefore, there is no question of rush of students. Many more students can be admitted in the existing colleges themselves.
